

***Special Edition Box***

Notes on Representation Vol. 1–10  
Box with 10 books and a signed drawing in passe-partout  
2020

Box with a complete set of 10 volumes of *Notes on Representation* (2006–2019) by Irene Kopelman. Since 2006 these publications, with visual and written explorations around particular topics, have been an essential part of Kopelman’s practice and give insight into investigative and analytical drawing as a tool for understanding.

The box set is produced in an edition of 50 copies, each containing a unique signed drawing by Irene Kopelman from the series *Developing a Form of Affection* (2019-2020).
